

Welcome to My Bible Bucks

Why is Bible Bucks 2.0 better than 1.0?

1. If the card is lost – the points are not lost.
2. If the card is stolen – another kid can't use it.
3. It is one card so you don't have a pile of cards.
4. I control how the points are given. Teachers can't give points without my approval.
5. It works with a card and barcode scanner.
