

Uptown Preschool

# Preschool Segments

## **Welcome (20 min)**

During this time kids will interact play and do some of the welcome activities provided in the curriculum.

## **Worship (10 min)**

All kids will leave their “home room” and gather together for a time of worship. Before the kids are dismissed to go to their activity room they will all watch the Introduction video.

## **Craft time (10 min)**

During the craft time the kids will be introduced to the story and the theme reinforced as kids engage in age appropriate activities.

## **Interactive Bible Story (10 min)**

During the interactive bible story a bible story teller will walk the kids through the bible story in a hands on fashion.

## **Snack (Bible story/Skit Video 10 min)**

The snack will be prepared for the kids as they watch the skit they will eat their snack while watching the second half of the video.

## **Playground Time (10 min)**

Each age group will get an opportunity to use the playground. The last rotation the playground will not be used and all age groups will rotate back to their home room.

## **Wrap Up (20 min)**

During the wrap up time. Room facilitators will engage kids in wrap up activities the kids will watch an application video and have free play time till parents return.
